The Treasure Chest

The Treasure Chest

PRESENTED BY THE GRADUATING CLASS OF 1951, VERNON L. DAVEY JUNIOR HIGH SCHOOL, EAST ORANGE, NEW JERSEY

Foreword

The years speed on all too quickly. All of these students have reached another milestone in life. As they chance to pick up this volume, in a quiet moment in their busy future, they will relive those days, and remember - a chance remark, a cheerful smile, a friend.

This book is a dedication, then, to these graduates, not for what they are, but for what they represent. For you see, they are the backbone of America. Turn these pages, and see!

Faculty?

151 The way they scale with me - My Impressions of the faculty at V-H-S-D.

A Mr. Browning - a young easy nice guy.

A Mr. Furgess - a swell homeroom and Science teacher always able to take a joke. (at least almost always.)

D Mr. Ebner - a guy who belongs more in the trees than in a shop. Short fat and wide.

B Mr. Morse - The only teacher I ever knew who comes in drunk.

A Mr. Fellows - a swell guy. He may be old and grumpy but he was never too busy to sit down and discuss a math problem.

D Mr. Taylor - a damn old prune who belongs in a cage rather than in a Science lab.

D Mr. Bruens - a teacher who only follows the exact requirements in Social Studies.

B Mr. Weiner - a mechanical drawing teacher who has given me more than one pain in the ass.
